Hi Jamey

thanks for forwarding the email to the region 10 Director. We can have a call with Frank when he is available. Michelle Prizadah and / Tim Hamlin would be great to run this by at EPA.

You can call me anytime at [907-388-2683](tel:907-388-2683) or 235-7528.

can you pass on the ADEC contact for this project. and can you also indicate

why they are not a cooperating agency given they are responsible to oversee the Clean Water Act. Please advise why this is the reality?

Best wishes

Rob

Frank, Harriet, and Rob-

I received your fax requesting formal Government-to-Government consultation on the proposed Chuitna Coal Project. I will be discussing the request with our leadership over the next few weeks and will get back to you all on next steps. If you guys have a chance, please give me a call at your earliest convenience to discuss things. Thanks.
